1st Verse

Live and sigh, crying eyes
Your touch, your heart, your warmth, lullaby
Live to dream, don't it seem
The tears, the pain, reality

Chorus

Don't you know these dreams, I wish could be
The real you and me
Come running back to you
You push me away, you push
Push me away

2nd Verse

Darken days, go away
The nights are bright, dream, and stay
As I dream loving you
Your touch, your heart, your warmth, please come true

Chorus

Don't you know these dreams, I wish could be
The real you and me
Come running back to you
You push me away, you push
Push me away

Chorus

Don't you know these dreams, I wish could be
The real you and me
Come running back to you
You push me away, you push
Push me away
