I was alone at dawn, she woke me  
She was asleep and tired  
She came inside and whispered to me  
the girl is what I had inside

But she's a PYT, a pretty young thang  
The girls a PYT, she's a pretty young thang

I was upstairs she came and woke me  
I was asleep and tired  
She came inside my prima donna  
The girl is my heavenly prize

The girls a PYT, my pretty young thang (to me)  
PYT, pretty young thang

She is always there  
Whenever I need her  
Telling me the words thats right  
Telling me things  
I do about her  
She is just the one, Right!

The girls a PYT, pretty young thang  
The girls a PYT, pretty young thang  
PYT, pretty young thang  
The girls a PYT, pretty young thang

(instrumental break)

Ooooo,oooo

The girls a PYT, she's my pretty young thang  
The girls a PYT, pretty young thang

(I love her so  
I'll never let her go  
I'm loving you today  
I'm loving you tomorrow  
My girl, my girl, my girl  
I know I love her so)
