loves gonna be

DJ:

S, The Double, The you, The V

SWV:

Maybe the seems to be
Some exiculity (?)
Of all the ways I feel
and where I wanna be.
Well you know its really you.
Noone can do the things you do to me.

Michael:

Get me out
Into the nighttime
four walls won't hold me tonight
Of this town is just an apple
then let me take a bite
(I will be right here)

[Chrus]

If they say why why
(be Right here)
tell them that its human nature
Why Why does he do me that way
(Right here)
If they say Why why
tell em that its human nature
(Have no fear)
Why Why does he do me that way?

SWV:

Some of us don't beleave in
Last to what I'm giving (?)
I'm gonna keep it stong
Out of holdin' on to you.
Noone can do me like you do.
Its true.

Michael:
Reaching out
Touch a stranger
Electric eyes of everywhere
See that girl
She knows I'm watching
She likes the way I stare

[Chorus]

SWV:
Won't let go
You should know
this thing is real
Don't rush now
Just listen to your heart
And love will be right here

Be right here

Right here
Loves gonna be right here, yea
Loves gonna be
Loves gonna be

[chorus to fade]
