Girl, close your eyes
Let that rhythm get into you
Don't try to fight it
There ain't nothin' that you can do

Relax your mind
Lay back and groove with mine
You gotta feel the heat
(Feel the heat)
And we gonna ride the boogie
Share that beat of love

I wanna rock with you
(All night)
Dance you into day
(Sunlight)
I wanna rock with you
(All night)
We're gonna rock the night away
(All night)

Out on the floor
There ain't nobody there but us
Girl, when you dance
There's a magic that must be love
Just take it slow
'Cause we got so far to go
When you feel that heat
And we gonna ride the boogie
(Share that beat of love)
Share that beat of love

I wanna rock with you
(All night)
Dance you into day
(Sunlight)
I wanna rock with you
(All night)
We're gonna rock the night away
(All night)

And when the groove is dead and gone yea

You know that love survives
(Rock forever on)
So we can rock forever on

I wanna rock with you
I wanna groove with you

I wanna rock with you
I wanna groove with you

Rock
(All night)
(Girl)
(Sunlight)
Rock with you, rock with you girl
(All night)
(Yea)
Dance the night away

I wanna rock with you yea
(All night)
Rock you into day
(Sunlight)
I wanna rock with you
(All night)
Rock the night away

Feel the heat feel the beat
(All night)
Rock you in the day
(Sunlight)
I'm gonna Rock
(All night)
Rock the night away
