I Just Want To Lay Next To You
For Awhile
You Look So Beautiful Tonight
Your Eyes Are So Lovely
Your Mouth Is So Sweet
A Lot Of People
Misunderstand Me
That's Because They Don't
Know Me At All
I Just Want To Touch You
And Hold You
I Need You
God I Need You
I Love You So Much

Steamy like a winter storm
Softer than the sharpest thorn
I held your hand and I was born
So explain your fury and you were never scorned

You made me feel the way I felt
You can do me wrong babe
But make it feel make it feel

Softly Softly show me you care
Easy easy keep me right there
Would you ever if I doubled dared
Hurt me harshly destroy me with care

And make the first slice like I first cut you
Oh baby why you wanna just hurt me like you do

Softly Softly show me you care
Easy easy keep me right there
Would you ever if I doubled dared
Hurt me harshly, destroy me with care

(ohhh..softly baby yeah...)

Steamy like a winter storm
Softer than the sharpest thorn

I held your hand and I was born
Softly Softly destroy me with care
