(Who's watching)
(Tell me who's watching)
(Who's watching me)

I'm just an average man
With an average life
I work from nine to five
Hey, hey, I'll pay the price

All I want is to be left alone
In my average home
But why do I always feel like
I'm in the twilight zone
And

I always feel like
Somebody's watching me
And I have no privacy
I always feel like
Somebody's watching me
Tell me is it just a dream

When I come home at night
I bold the door real tight
People call me on the phone
I'm trying to avoid
But can people on TV see me
Or am I just paranoid

When I'm in the shower
I'm afraid to wash my hair
'Cause I might open my eyes
And find someone standing there

People say I'm crazy
Just a little touched
But maybe showers remind me
Of Psycho too much
That's why

I always feel like
Somebody's watching me

And I have no privacy
I always feel like
Somebody's watching me
Who's playing tricks on me

(Who's watching me)
I don't know anymore
Are the neighbors watching me
Well, is the mail man watching me
(Tell me who's watching)
And I don't feel safe anymore
Oh, what a mess
I wonder who's watching me now
(Who)
The IRS

I always feel like
Somebody's watching me
And I have no privacy
I always feel like
Somebody's watching me
Tell me is it just a dream

I always feel like
Somebody's watching me
And I have no privacy
I always feel like
Somebody's watching me
Who's playing tricks on me

I always feel like
Somebody's watching me
I always feel like
Somebody's watching me
Tell me who can it be

I always feel like
Somebody's watching me
I always feel like
Somebody's watching me
Who's playing tricks on me

I always feel like
Somebody's watching me
Can I have my privacy
