Your love is magical, that's how I feel  
But I have not the words here to explain  
Gone is the grace for expressions of passion  
But there are worlds and worlds of ways to explain  
To tell you how I feel  
But I am speechless, speechless  
That's how you make me feel  
Though I'm with you I am far away and nothing is for  
real  
When I'm with you I am lost for words, I don't know  
what to say  
My head's spinning like a carousel, so silently I pray  
Helpless and hopeless, that's how I feel inside  
Nothing's real, but all is possible if God is on my side  
When I'm with you I am in the light where I cannot be  
found  
It's as though I am standing in the place called  
Hallowed Ground  
Speechless, speechless, that's how you make me feel  
Though I'm with you I am far away and nothing is for  
real  
I'll go anywhere and do anything just to touch your face  
There's no mountain high I cannot climb  
I'm humbled in your grace  
Speechless, speechless, that's how you make me feel  
Though I'm with you I am lost for words and nothing is  
for real  
Speechless, speechless, that's how you make me feel  
Though I'm with you I am far away, and nothing is for  
real  
Speechless, speechless, that's how you make me feel  
Though I'm with you I am lost for words and nothing is  
for real  
Speechless Your love is magical, that's how I feel  
But in your presence I am lost for words  
Words like, "I love you."
