Yeah Shoo-hee

Woh
Woh
Hee!

Love ain't what it used to be
That is what they're tellin' me
Push it in stick it out
That ain't what it's all about

He wanna do something keen to you
He wanna wrap his arms all around you girl
He wanna shake it up shake it down
Doing it right
He wanna jump back half flap doing it right

He wanna lay you down
Turn it up
Kicking it loose
He wanna fly high high high
Baby for you'se

He wanna motormouth
Float around
Baby the back
He wanna shake it up shake it down
Moving round ha ha

Love ain't what it used to be
(Hee!)
That is what they're tellin' me
Push it in stick it out
That ain't what it's all about
(Oh)

Susie like to agitate
Get the boy and make him wait
Mother's preaching Abraham
Brothers they don't give a damn

(Oh)

He wanna do something keen to you
He wanna wrap his arms all around you girl
He wanna do it up keep it high
Deep in the night
He wanna eye ball
Get hard
Playing it right

He wanna turn the key
Hurt the sheets
Move to the left
He wanna hot scrub
Hot love
Making it wet

He wanna give hot jump shot
Move to the left
He wanna time bar
Slam dunk ha ha ha

Hoo!
Hee!
Keep it goin'
Party now
Hee!
