#### 1st Verse

Jack still cries day and night  
jack's not happy with his life  
He wants to do this  
He wants to do that  
You want to be kind  
But ends up flat  
For love, for love

#### 2nd Verse

He tries so hard to give a lot  
He wants to be what he is not  
But love's not harsh  
And love's not bad  
So what he's doing  
For love is so sad  
He wants to be so bad  
He wants to be so bad

#### Chorus

All the time getting in things  
He can't get out  
Something deep inside of him  
Eating up the pride of him  
That makes him buy  
Things for the girls  
That's what you get  
For being polite  
For being polite 1st Verse  
Jack still sits all alone  
He lives the world that is his own  
He's lost in thoughts of who to be  
I wish to God that he would see  
Just love, give him love

#### 2nd Verse

He tries so hard to give a lot  
He wants to be what he is not  
Love's not harsh  
Love's not bad  
And what he's doing

For love is so sad  
He wants to be so bad  
He wants to be so bad

Chorus

All the time getting in things  
He can't get out  
Something deep inside of him  
Eating up the pride of him

Things for the girls

For being polite  
Jack still trying to happy you happy, but  
Jack still  
Jack still trying to make you happy  
But it's love
