Michael Jackson
"The Life Of The Party"

All you gotta do is dance Dance, dance
all you gotta do is clap Your hands, hands, hands
You'll be the life of the party
Yes you will, now
Life of the party
Yes you can!

Hey! Miss corner sitter
Never left your seat
Until some dancing heart-getter charms you
To your feet, Yeah

Jermaine: Now, you got the movement,
And soon you'll be doin' it, so get with it
Baby get with it!

You'll be the life of the party
(You thrill me when you dance)
You can be, you can be
Life of the party
You can be,You can be,
(you can dance)
Yes you can!

You're a sexy momma,
Such a dancing dream
You're no louger sittin', your train's puffin steam

The guys are lined up
they're hopping to wind up with you now
Can you see it!

You'll be the life of the party
(I love the way you dance)
You can be, you can be
The life of the party
You can be, you can be

There will be dancin', prancin' with a little romancin'

All you gotta do is dance dance, dance,

All you gotta do is clap your hands, hands, hands,

You can boogie, you can boogie,
You can boogie, you can boogie
You can move, move, move,

You can boogie, you can boogie
You can boogie, you can boogie
You can move, move, move

Let's get down, down, down, down, down, down
Let's get down, down, down, down, down, down

Do, do, do, do, do, do bop
Do, do, do, do, bop, bop, bop dance
Do, do, do, do, do, do bop
Do, do, do, do, bop, bop, bop dance
Do, do, do, do, do, do bop
Do, do, do, do, bop, bop, bop dance
Do, do, do, do, do, do bop
Do, do, do, do, bop, bop, bop dance

Life of the party, yes you will
You'll be the life of the party
Yes, you can

Life of the party, yes you will
You'll be the life of the party
Yes, you can

Life of the party, yes you will
You'll be the life of the party
Yes, you can

Life of the party, yes you will
You'll be the life of the party
Yes, you can

Life of the party, yes you will
You'll be the life of the party
Yes, you can
