(with paul mccartney)

There's a man  
Who plays the game of life so well  
Ooh, there's such a man  
His thoughts you can never tell, ooh  
And it's just the way he  
Thought it would be  
'cause the day has come  
For him to be free  
I'm alive and I'm here forever

This is the man  
And it's just the way she  
Thought it would be  
As he says, something has  
Happened to me  
Then he laughs, he kicks  
And rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

There's a man  
Everybody thought they knew  
Ooh, there's such a man  
He's not like me and you, ooh

And it's just the way she  
Thought it would be  
As he says, something has  
Happened to me

Then he laughs, he kicks  
And rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

And it's just the way she  
Thought it would be  
As he says, something has  
Happened to me  
Then he laughs, he kicks

And rolls up his sleeves  
I'm alive and I'm here forever  
This is the man

And it's just the way she  
Thought it would be  
As he says, something has  
Happened to me  
Then he laughs, he kicks  
And rolls up his sleeves  
I'm alive and I'm here forever  
This is the man  
(this is the man)  
Ooh yeah  
(ooh, yeah)  
This is the man  
(this is the man)  
This is the man
