I watch the snowflake fall
against my window pane
and wonder if you
are watching snowflakes too

I take a walk downtown
to where you used to meet me
There's joy everywhere
but all that waiting there is

[Chorus]

Just a little Christmas tree Lookin sorta sad and lonely
just like me No one seems to care They just went away
and left it standing there
All alone on Christmas eve

I hear the Christmas bells
(Bum Bum Bum)
The happy people singing
The songs of good cheer that only brings me tears
I sadly close my eyes
and say a little prayer
you'll be waiting there for me
I look but all I see is

[Chorus]

Just a little Christmas tree Lookin sorta sad and lonely
just like me No one seems to care They just went away
and left it standing there All alone on Christmas eve

This is the season of love
(This is the season of love)
But I'm as sad as I can be
(sad as can be)
Why did you have to leave me
(Why did you leave me)
(Why did you leave me)

[Chorus]

Just a little Christmas tree Lookin sorta sad and lonely

just like me No one seems to care They just went away
and left it standing there All alone on Christmas eve
