[ROD SERLING INTRO]

Tonight's story is somewhat unique and calls for a  
different kind of introducing  
A monster had arrived in the village  
The major ingredient of any recipe for fear is the  
unknown  
And this person or thing is soon to be met  
He knows every thought, he can feel every emotion  
Oh yes, I did forget something didn't I? I forgot to  
introduce you to the monster.

You're fearing me, 'cause you know I'm a beast  
Watching you when you sleep, when you're in bed  
I'm underneath  
You're trapped in halls, and my face is the walls  
I'm the floor when you fall, and when you scream it's  
'cause of me  
I'm the living dead, the dark thoughts in your head  
I heard just what you said  
That's why you've got to be threatened by me

[CHORUS]

You should be watching me, you should feel  
threatened  
Why you sleep, why you creep, you should be  
threatened  
Every time your lady speaks she speaks to me,  
threatened  
Half of me you'll never be, so you should feel  
threatened by me

You think you're by yourself, but it's my touch you  
felt  
I'm not a ghost from Hell, but I've got a spell on you  
Your worst nightmare is me, I'm everywhere  
In one blink I'll disappear, and then I'll come back to  
haunt you  
I'm telling you, when you lie under a tomb  
I'm the one watching you  
That's why you got to be threatened by me

[CHORUS]

[ROD SERLING VERSE]

The unknown monster is about to embark  
From a far corner, out of the dark  
A nightmare, that's the case  
Never Neverland, that's the place  
This particular monster can read minds  
Be in two places at the same time  
This is judgement night, execution, slaughter  
The devil, ghosts, this monster is torture  
You can be sure of one thing, that's fate  
A human presence that you feel is strange  
A monster that you can see disappear  
A monster, the worst thing to fear.

[CHORUS x 3]

[ROD SERLING OUTRO]

What you have just witnessed could be the end of a  
particularly terrifying nightmare.  
It isn't. It's the beginning.
