What you don't know
Know, know, know, know, know, know, know
Won't hurt you

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

That's what the people try to tell me now
Since my baby's been gone, gone, gone

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

But I can't find peace of mind in what they say
No, no
No I can't find peace of mind, no way, no way

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

Since that morning that she walked away
Wonder where she is everyday

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

I can't find peace of mind in what they say
No, no
No I can't find peace of mind, no way, no way, no way
Come on back girl
Come on back girl

What you don't know

Know, know, know, know, know, know, know
Won't hurt you

That's what the people try to tell me now
Since my baby's been gone, gone, gone

What you don't know
Know, know, know, know, know, know, know
Won't hurt you

I can't find peace of mind in what they say
No, no
No I can't find peace of mind, no way, no, no way
Come on, come on, come on, come on back, come on
back, girl
I need you, gotta have you
Come on back, girl
Come on back, girl
I need you, baby
Wanna see you, baby
Come on back, girl
I can't find peace of mind in what they say
No I can't find peace of mind, no way
