Random Dude: The Elephant..is dying...

Eddie:

Sun is gonna shine

Flowers gonna grow

Clouds'll sprinkle showers

Rivers gonna flow

Man ain't got the power

To kill nothing but himself

Man is a creation

Man is nothing else

Michael:

Whatzup, whatzup, whatzupwitu?

Whatzup, whatzup, whatzupwitu?

Eddie:

Whatzupwitu?

Michael:

Whatzup, whatzup, whatzupwitu?

Whatzup, whatzup, whatzupwitu?

Both:

Whatzupwitu?

Eddie:

Always is the mountain

Always is the tree's

Always is the ocean

Always is the sea's

Michael:

Whatzupwitu?!

Eddie:

We can't stop this world

'cause it's not

Our world we can just jack

Each other up

Heavenly Father,

Been mighty patient

He got your number peeped
Your disease

Michael:
He knows your fallin',
Your fallin', your fallin',

Eddie:
Mmm . . . fallin'.
Man is a creation
Man is nothing else

Michael:
Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Eddie:
Whatzupwitu?

Michael:
Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Both:
Whatzupwitu?

Eddie:
Always is the mountain

Michael:
Always is the tree's

Eddie:
Always is the ocean

Michael:
Always is the sea's
Whoaaaa!
Maybe even children sing!

(adlib and fade out)
