When I had you, I treated you bad
I'm wrong my dear
And 'cause it says you been away

Don't you know I sit around
With my head hanging down
And I wonder who's lovin' you

I should have never, ever
Ever made you cry
And 'cause it says you been gone

Don't you know I sit around
With my head hanging down
And I wonder who's lovin' you

Life without love, huh it's oh so lonely
I don't think, I don't think I'm gonna make it
All my life, all my life baby I've been lost to you only

Come on and take it girl, come on and take it, because
All, all I can do since you've been gone is cry
Ever wonder or worry your feeling hurt like I do

Don't you know I sit around
With my head hanging down
And I wonder who's lovin' you

Who's lovin' you?
Who's lovin' you?
Who's lovin' you?
