With A Child's Heart
Go face the worries of the day
With a child's heart
Turn each problem into play
No need to worry no need to fear
Just being alive makes it all so very clear
With a child's heart
Nothing can ever get you down
With a child's heart
You've got no reason to frown

Love is as welcome
As a sunny sunny day
No grown-up thoughts
To lead our hearts astray
Take life easy, so easy nice and easy
Like a child so gay and so carefree
The whole world smiles with you
As you go your merry way
Oh with a child's heart
Nothing's gonna get me down
