we're takin' over  
we have the truth  
this is the mission  
to see it through

don't point your finger  
not dangerous  
this is my planet  
you're one of us

we're sendin' out  
a major love  
and this is my  
message to you  
(message to you)  
the planets are linin' up  
we're bringin' brighter days  
they're all in line  
waitin' for you  
can't you see . . . ?  
you're just another  
part of me . .

a rather nation  
fulfill the truth  
the final message  
we're bringin' you  
there is no danger  
fulfill the truth  
so come together  
we're meanin' you

we're sendin' out  
a major love  
and this is my  
message to you  
(message to you)  
the planets are linin' up  
we're bringin' brighter days  
they're all in line  
waitin' for you  
so look the truth

you're just another  
part of me . .

we're sendin' out  
a major love  
and this is you  
message to you  
(message to you)  
the planets are linin' up  
we're bringin' brighter days  
they're all in line  
waitin' for you  
can't you see . . . ?  
you're just  
another part of me  
another part of me . .

we're takin' over  
this is the truth, baby  
another part of me
