You Rock My World lyrics

Ho...oh...

My life will never be the same  
'Cause girl, you came and changed  
The way I walk  
The way I talk

I cannot explain the things I feel for you  
But girl, you know it's true  
Stay with me, fulfill my dreams  
And I'll be all you'll need

Oh, oh, oh, oh, ooh, feels so right (Girl)  
I've searched for the perfect love all my life (All my  
life)  
Oh, oh, oh, oh, ooh, feels like I (Like I)  
Have finally found her perfect love is mine (See, I  
finally found, come on, girl)

my world you know you did  
And everything I own I give (You rocked my world)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

my world you know you did (Girl)  
And everything I own I give (I want you, girl)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

some time I knew that love would bring  
This happiness to me  
I tried to keep my sanity  
I waited patiently

Girl, you know it seems  
My life is so complete  
our love that's true because of you  
are doing what you do

Oh, oh, oh, oh, who'd think that I (Oh)  
Have finally found the perfect love I searched for all

my life (Searched for all my life)  
Oh, oh, oh, oh, who'd think I'd find  
(Whoa...oh...oh...)  
Such a perfect love that's awesomely so right (Whoa,  
girl)

my world you know you did (Come on, come  
on, come on, come on)  
And everything I own I give  
There is love you'll need to find  
The one that you call mine (You rocked my world)

my world (You rocked my world), you know  
you did  
And everything I own I give (Girl, girl, girl)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

You rocked my world, you know you did (Oh)  
And everything I own I give (You rocked my world)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

You rocked my world (Oh...), you know you did  
And everything I own I give (To rock my world)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

Girl, I know that this is love  
I felt the magic all in the air  
And girl, I'll never get enough  
That's why I always have to have you here, hoo

You rocked my world (You rocked my world), you know  
you did  
And everything I own I give (Look what you did to  
me, baby, yeah)  
There is love you'll need to find  
The one that you call mine (You rocked my world)

You rocked my world, you know you did (Know you did,  
baby)  
And everything I own I give ('Cause you rocked my  
world)  
There is love you'll need to find (Hoo, hoo)  
The one that you call mine

(You rocked my world)  
You rocked my world, you know you did  
(The way you talk to me, the way you're lovin' me)  
(The way you give it to me)

You rocked my world, you know you did  
(Give it to me)  
(Yeah, yeah, yeah...yeah...ooh)  
You rocked my world (You rocked my world), you know  
you did  
(You rocked my world, you rocked my world)

(Come on, girl) You rocked my world (Come on, girl),  
you know you did  
(Baby, baby, baby)  
And everything I own I give  
There is love you'll need to find  
The one that you call mine

You rocked my world, you know you did  
And everything I own I give  
There is love you'll need to find  
The one that you call mine
