I remember when you was a little girl  
I say you never ever ever wore curls  
You wore nothing but an ole shaggy shaggy dress  
I say you never ever tried to look your best

(chorus) Now when I look at you

All my love come running through  
You've changed & it's shown yeah  
My love for you has grown yes it did now  
You've changed & it shown

Yeah.....yeah, yeah.....

Your legs were little but now they are big  
instead of wearing ponytails  
you got a little ole red wig  
your eyes are pretty, you got some kissable lips  
& I love they way you walk, way you sway your little hips  
(chorus)
