By michael mcdonald

It was so right, it was so wrong  
Almost at the same time  
The pain and ache a heart can take  
No one really knows

When the memories cling and keep you there  
Till you no longer care  
And you can let go now

It's wrong for me to cling to you  
Somehow I just needed time

From what was to be-it's not like me  
To hold somebody down

Chorus:  
But I was tossed high by love  
I almost never came down  
Only to land here  
Where love's no longer found  
Where I'm no longer bound  
And I can let go now
