(chorus)

I keep forgettin'
we're not in love anymore
I keep forgettin'
things will never be the same again
I keep forgettin'
how you made that so clear
I keep forgettin'

Everytime you're near
Everytime I see you smile
Hear your "hello"
Saying you can only stay a while

Hey, I know that
it's hard for you
To say the things
that we both know are true
But tell me how come (I)

(chorus)

Everytime I hear
How you never want
to live a lie
How it's gone to far
And you don't have
to tell me why

Why you're gone and
the game is through
If this is what's real
if this is what's true
Tell me how come (I)

(Keep forgettin'
we're not in love anymore)
Baby
(I Keep forgettin'

things will never be the same again)
Hey, baby

(I keep forgetting
how you made it so clear)
I keep forgettin', darlin'

Don't say that
Don't say that
Don't say that
I know you're not mine
anymore anyway anytime
But tell me how come (I)

(Keep forgettin'
we're not in love anymore)
Baby
(I Keep forgettin'
things will never be the same again)
Hey, baby
(I keep forgetting
how you made it so clear)
I keep forgettin', darlin'

Everytime you're near
(I Keep forgettin'
we're not in love anymore)
Everytime you're near, babe
(I Keep forgettin'
things will never be the same again)
Hey babe
(I keep forgetting
how you made it so clear)
I keep forgettin', baby

(repeat to fade)
