Like a warrior that fights and wins the battle  
I know the taste of victory  
And I went through some nights consumed by shadows  
I was crippled emotionally

But somehow I made it through the heartache  
Yes, I did, I escaped  
I found my way out of darkness  
I kept my faith, I kept my faith

When the river was deep I did not falter  
When the mountain was high I still believed  
When the valley was low it did not stop me  
'Cause I knew you were waiting  
Knew you were waiting for me

With an endless desire I kept on searching  
Sure in time our eyes would meet  
Like a bridge that's on fire, the hurt is over  
One touch and you set me free, baby

I don't regret a single moment  
No, I don't looking back  
When I think of all those disappointments  
I just laugh

When the river was deep I did not falter  
When the mountain was high I still believed  
When the valley was low it did not stop me  
'Cause I knew you were waiting  
Knew you were waiting for me

So we were drawn together through destiny  
Oh baby, I know this love we shared was meant to be  
I knew you were waiting, knew you were waiting  
I knew you were waiting for me

I did not falter  
When the mountain was high I still believed  
When the valley was low it did not stop me  
'Cause I knew you were waiting

Knew you were waiting for me

When the mountain was high  
When the valley was low  
'Cause I knew you were waiting  
Knew you were waiting for me

I did not falter  
When the mountain was high I still believed  
When the valley was low it did not stop me  
'Cause I knew you were waiting  
Knew you were waiting for me

When the mountain was high  
When the valley was low
