I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you

Oh, I'll give you all the love
I want in return, darling
Your happiness is all I crave
Ooh, you're just too sad you don't want me now
But I'm gonna change your mind someday, somehow,
my baby

I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you

This one way love is just a fantasy, oh baby
To share is precious, pure and fair
Don't play with something you should cherish for life
Oh baby, don't you want to care, baby, for me?

I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you
When I get down
When I get down with you
Oh
Oh, got to, got to get down with you baby

I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you

I want you the right way
I want you, but I want you to want me too
Want you to want me baby
Just like I want you
