Just so many words  
No more than a touch  
In matters of love  
I never knew much  
Till you gave your heart  
And all of your soul  
I look at your face  
And I see it all

Chorus:

Baby, you showed me the meaning of love  
You opened my eyes  
You were patient and wise  
Baby, you showed me the meaning of love  
You brought me this far  
In all that you are  
I see the meaning of love

So insecure  
Afraid of mistakes  
Knowing too well  
The toll love can take  
ÂiÂ®cause I stood with a storm  
Raging inside  
Till you brought me in  
Out of reach of my pride

Chorus:
