Nowhere to run to, baby

Nowhere to hide
Got nowhere to run to, baby
Nowhere to hide
It's not love
I'm running from

It's the heartaches

That I know will come
'Cause I know
You're no good for me
But you've become
A part of me
Everywhere I go

Your face I see

Every step I take

You take with me, yeah
Nowhere to run to, baby

Nowhere to hide

Got nowhere to run to, baby

Nowhere to hide
I know you're

No good for me

But free of you
I'll never be, no
Each night as I sleep
Into my heart you creep

I wake up feeling sorry I met you

Hoping soon that I'll forget you
When I look in the mirror

And comb my hair

I see your face

Just a-smiling there
Nowhere to run

Nowhere to hide

Got nowhere to run to, baby
Nowhere to hide
I know you're

No good for me

But you've become

A part of me
How can I fight a lover
That's sugar sweet
When it's so deep, so deep
Deep inside of me
My love reaches so high

I can't get over it
It's so wide
I can't get around it, no
Nowhere to run

Nowhere to hide

From you, baby

Just can't get away

No matter how I try
I know you're no good for me

But free of you I'll never be
Nowhere to run to, baby

Nowhere to hide

Got nowhere to run to, baby
Nowhere to hide
Got nowhere to run
