Through the mirror of my mind  
Time after time  
I see reflections of you and me

Reflections of the way life used to be  
Reflections of the love you took from me

I'm alone now  
No love to shield me  
Trapped in a world that  
A distorted reality

Happiness, you took from me  
And left me alone  
With only memories

Through the mirror of my mind  
Through these tears that I'm crying  
Reflects the hurt I can't control

'Cause although you're gone  
I keep holding on  
To the happy times  
When you were mine

As I peer out through the window  
Of lost time  
Looking over my yesterday  
And all the love I gave all in vain

All the love I've wasted  
All the tears that I've tasted  
All in vain

(Reflections of)  
Through the hollow of my tears  
(Of the dream that's lost)  
I see a dream that's lost  
(Reflections of)  
From the hurt of the pain  
(Of the pain you've caused)  
That've you have caused

(Reflections of)  
Everywhere I turn  
(Of the dream that's lost)  
Seems like everything I see  
(Reflections of)  
Reflects the love  
(Of the pain you've caused)  
That used to be

In you I put  
All my faith and trust  
But before my eyes  
My world has turned to dust

(Reflections of)  
After all those nights  
(The way life used to be)  
I sat alone and wept  
(Reflections of)  
My hand full of promises  
(The love you took from me)  
That's all is left

Baby, you I put  
All my faith and trust  
Right before my eyes  
My world was turned to dust

(Reflections of)  
After all those nights  
(The way life used to be)  
I sat alone and wept  
(Reflections of)  
My hand full of promises  
(The love you took from me)  
That's all is left

Baby, you I put  
All my faith and trust  
Right before my eyes  
My world was turned to dust
