This Christmas

Hang all the mistletoe  
I'm gonna get to know you better this Christmas  
And as we trim the tree  
How much fun it's gonna be together this Christmas

Fireside is burning bright  
And we're caroling through the night  
This Christmas will be a very special Christmas for me  
This Christmas

Presents and cards are here  
My world is filled with cheer and you, this Christmas  
And as I look around  
Your eyes outshine the town, my dear, this Christmas

Fireside is burning bright  
And we're caroling through the night  
This Christmas will be a very special Christmas for me  
Shake a hand, shake a hand, shake a hand

This Christmas gonna be  
This Christmas will be  
This Christmas  
Shake a hand

This Christmas will be a very special Christmas for me  
For me

Fireside is burning bright  
And we're caroling through the night
