There've been times in my life
I've been wondering why
Still, somehow I believed
We'd always survive
Now, I'm not so sure
You're waiting here
One good reason to try
But, what more can I say
What's left to provide
You think that maybe it's over
Only if you want it to be
Are you gonna wait
For a sign, your miracle
Stand up and fight
This is it, make no
Mistake where you are
This is it, your
Back's to the corner
This is it, don't be a
Fool anymore, this is it
The waiting is over
No, don't you run
No way to hide
No time for wondering why
It's here, the moment
Is now about to decide
Let em believe
Leave them behind
But keep me near in your heart
Know whatever you do
I'm here by your side
You say that maybe it's over
Not if you don't want it to be
For once in your life
Here's your miracle
Stand up and fight
This is it, make no
Mistake where you are
This is it, you're going no further
This is it until it's over and done
No one can tell you
What the future holds

Oh oh oh oh, who makes
The choice of how it goes
It's not up to me
This time, you know
Comes a day in every life
This is it, make no
Mistake where you are
This is it, you're going no further
This is it until it's over and done
This is it, one way or another
This is it, no one can
Tell what the future holds
This is it, your back's to the corner
This is it, you make the
Choice of how it goes
This is it, the waiting is over...
