Heavenly Father, watchin' us all
We take from each other and give nothing at all
Well, it's a dog-gone shame but never too late for
change
So, if your luck runs low
Just reach out and call His name, His name

Yah mo b there
(Up and over)
Yah mo b there
(Up and over)

Yah mo b there
(Up and over)
Yah mo b there
Whenever you call

Never be lonely, lost in the night
Just run from the darkness, looking for the light
'Cause it's a long hard road that leads to a brighter
day, hey
Don't let your heart grow cold
Just reach out and call His name, His name

Yah mo b there
(Up and over)
Yah mo b there
(Up and over)

Yah mo b there
(Up and over)
Yah mo b there
(Up and over)

Yah mo b there, yah, I'm gonna be there
(Up and over)
Yah mo b there, whenever you call
(Up and over)

Yah mo b there, yeah, yeah
(Up and over)
Yah mo b there

(Up and over)
Yah mo b there

You can count on it, brother
'Cause we're all just finding our way
Travelin' through time, people got to keep pushing on
No matter how many dreams slip away
Love will be there

Well it's a dog-gone shame
But never too late for change
So, when your luck runs low
Just reach out and call His name, just call His name

Yah mo b there, I'll be there
(Up and over)
Yah mo b there when you need me
(Up and over)

Yah mo b there, [Incomprehensible]
(Up and over)
Yah mo b there, ooh
(Up and over)

Yah mo b there, yeah, I'll be there
(Up and over)
Yah mo b there, whenever you call, whenever you call
(Up and over)

Yah mo b there, yeah, I'm gonna be there
(Up and over)
Yah mo b there, [Incomprehensible]
(Up and over)

Yah mo b there, yeah, I'm gonna be there
(Up and over)
Yah mo b there
(Up and over)
