Today I saw somebody  
Who looked just like you  
She walked like you do  
I thought it was you

An' as she turned the corner  
I called out your name  
I felt so ashamed  
'Cause it wasn't you  
Wasn't you

You are everything  
And everything is you  
You are everything  
Everything is you  
Oh, you are everything  
And everything is you

How can I forget  
When each face that I see  
Brings back memories  
Of being with you

Oh baby, I just can't go on  
Living life as I do  
Comparing each one with you  
'Cause they just won't do  
They're not you

No baby, you are everything  
And everything is you  
Oh, you are everything  
And everything is you  
Oh, you are everything  
And everything is you

Everything  
Everything you are to me baby  
No, no everything  
Please baby, everything  
You, you are everything  
No, oh baby, I just cannot compare
