Naked skin sliding against each other
Come to me naked goddess
And I let you pretend
I let you pretend
I'm your slave for a while

I hope you understand me

Come and rescue me from myself because
I can't seem to get enough of her
Love is driving me mad
And I don't now how to live my own life anymore

You stare at me in great belief
Of us always trying
Of our love never dying
I stare back at you in great confusion
Of always knowing
That your love is not showing

I'm down on my knees
Praying for her love
But she can't see me
My obsession is getting out of hand
Getting out of hand

I hope you understand me

Come and rescue me from myself because
I can't seem to get enough of her
Love is driving me mad
And I don't now how to live my own life anymore
