There used to be a place  
I could call my home  
It was just another phase  
Now I'm sitting here alone  
I was living in a whirl  
Now it's history  
But I can't go back, my friend  
I'm gonna keep on 'til the end  
CHORUS  
I know everything's gonna be O.K.  
But I can't go, I can't go home again  
I used to know a face  
Thought I was in love  
But I was in a haze  
Now I think I've learned enough

And I can't go back again  
I'm the loser in the end  
REPEAT CHORUS  
Seen the strangest things  
Stories I could tell  
Angels with their wings  
Clipped by those from hell  
But I can't go back, my friend  
I'm gonna keep on 'til the end  
REPEAT CHORUS  
And I can't go back again  
I'm the loser in the end  
REPEAT CHORUS  
I can't go, I can't go home again  
I can't go home again.
