Well come on!

Well the kids want a little action

The kids want a little fun

The kids all have to get their kicks

Before the evening's done

CHORUS

Cause they're going to

Highschool Rah, Rah, Rah

Highschool Sis Boom Bah

Highschool Hey Hey Hey

You better let them have their way. Yeah!

They only want to shake it up baby

Dance to the rockin' band

They only want a little excitement

They like to get a little out of hand

REPEAT CHORUS

Now! Uh!

Let's go!

The kids know what the deal is

They're getting farther out every day

We're gonna be takin' over

You better get out of the way

REPEAT CHORUS:

Cause they're going to

Highschool Rah, Rah, Rah

Highschool Sis Boom Bah

Highschool Hey Hey Hey

You better get out the way

Highschool Rah, Rah, Rah

Highschool Cha Cha Cha

Highschool Yeah, Yeah, Yeah, I said

Highschool Rah, Rah, Rah

Highschool My, My, My

Highschool Sis Boom Bah

Highschool Yeah, Yeah, Yeah

Highschool Hey Hey Hey

Etc.
