And it breaks my heart
To see you like this
And it makes me cry
But I'm used to it

So I turn, and walk away
But I don't wave goodbye
'Cause it will be the same as yesterday

[Chorus]
Why does it gotta be like this
Had you all my life
I can count the years
Why does it gotta be this way
Everything is changing
I wish it could stay the same

[Music]

You stare up at me with those big brown eyes
And I look at the sky and say, stop the lies
But it's so hard to just walk away
And I know that there may not be another day

Why does it gotta be like this
Had you all my life
I can count the years
Why does it gotta be this way
Everything is changing
I wish it could stay the same
Why can't it be the same

Tomorrow is a day that we all
Take for granted
It's not something that we
Just be handed
Tomorrow is something we all
Take for granted
It's not something that we
Just be handed

[Music]

So I turn and walk away
Say my last goodbyes
There won't be another day
