Feel I can fly  
Whenever I see your face  
Give me such a high

When you speak to me  
Are you ready to hear my pain  
Way up in the sky

You turn around  
I feel myself headin' for the ground

[Chorus]  
I'm comin' down  
From the moment you leave 'til we meet again  
I'm comin' down  
You're the one who gets me on my feet again  
I'm comin' down

I'm all alone and then  
You walk in and you walk past then  
My head starts to spin

So don't turn around  
\*\*??Lovin' the state I'm in??\*\*

I'm comin' down  
From the moment you leave 'til we meet again  
I'm comin' down  
You're the one who gets me on my feet again  
I'm comin' down  
Don't turn around  
I feel myself headin' for the ground

[Music]

The moment you leave  
I'm comin' downâ€¦  
I'm not the same  
When you're not aroundâ€¦

So don't turn around

I feel myself headin' for the ground

I'm comin' down

From the moment you leave 'til we meet again

I'm comin' down

You're the one who gets me on my feet again

Comin' down

From the moment you leave 'til we meet again

Comin' down

Don't turn around

Feel myself headin' for the ground
