Stand in front of me and
Tell me you're not scared
Look into my eyes and
Take away my fear

[Chorus]

A fallen angel behind me
A shootin' star to guide me
Somebody help me
I'm fallin' down
I'm fallin' down again
Fallin' down again

I get so afraid of all the things I have to do
The future's so much clearer
But I know I have you

A fallen angel behind me
A shootin' star to guide me
Somebody help me
I'm fallin' down
I'm fallin' down again
I'm fallin' down

Beyond the battlefield
I know you're always there
Hold you in my arms
It all becomes so clear

I'll never let you go
I'll never let you fall
I'll never let you down
Wipe that tear from your face
Oh

[Music]

I'll never let you down
I'll never let you fall

A fallen angel behind me

A shootin' star to guide me
Somebody help me
I'm fallin' down
I'm fallin' down again

Fallen angel to hide me
Shootin' star to guide me
Somebody help me
I'm fallin' down
I'm fallin' down again
