Yellow autumn moon
You find me blue tonight
What with the summer gone
What with the fading light

No sails down on the lane
No children on the shore
No funny sunburned nose
No little country store

I'll miss the sunny days (aaah)
I'll miss the rainy days and you (you)

I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl

Are you a silly man
Don't know how anything
We're gonna stay in touch
We'll give you all a ring

We'll get the pictures out
We'll pass 'em all around
All fire on the beach
My goodness you were brown

We're gonna live again (aaah)
We'll make them live again for you (you)

I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl

(Instrumental Interlude)

I'll miss the sunny days (aaah)
I'll miss the rainy days and you (you)

I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl

I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl, now you (you)
I'm gonna miss you, girl
