And so you ask the question
Only to receive another suggestion
And this is never-ending
And it's a game but nobody wins

Nobody wins

[Chorus]
Stop askin' me where I've been
I don't know, I don't know
Stop askin' me where I've been
I don't know, well I don't know

You think it's all a game when you deceive and defame
But you can't break me down
You think you get inside my head
So keep on pullin' at my loose thread

Nobody wins

Stop askin' me where I've been
I don't know, I don't know
Stop askin' me where I've been
I don't know, well I don't know
Stop askin' me where I've been
'Cause I don't know, I don't know

The rumours will subside
Just like they always do
Oh when the dust settles and the coast is clear
??
It's alright there

Stop askin' me where I've been
I don't know, well I don't know

Stop askin' me where I've been
I don't know, I don't know
Stop askin' me where I've been
I don't know, well I don't know

Stop askin' me where I've been
I don't know, I don't know (don't knowâ€¦)
Stop askin' me where I've been
I don't know, well I don't knowâ€¦

I don't know
