What if today.  
What if tomorrow, this love that I borrowed.  
Fails me again.

Well I'm here to stay.  
What if I falter.  
My heart's on the alter.  
But you'd never know.

You would never know  
I'd carry my weight for you.  
There is nothing I wouldn't do.  
To spend all my life with you.

Now love has a name.  
It's turning to fiction with every conviction.  
I'm losing my hold...  
Of what I know.

This love that I've bartered  
Is making it harder.  
To let you know.

I'd carry my weight for you.  
There is nothing I wouldn't do.  
To spend all my life on you.

Come down, from all the things that you believe.  
Pardon the ways of who I used to be.  
Come down, from all the things that you believe.  
And pardon the ways of who I used to be.

There's thing I wouldn't do.  
I'm spending my live on you.

I'd carry my weight for you.  
And It's gonna have on you.  
There's nothing I wouldn't do...  
Yeah  
Yeah  
Yeah
