On the wire.
We are holding too.
You are on to me.
And I'm on to you.

We could take this slow.
See just where it leads.
Maybe drop the rules.
That they put on you and me.

This is everything I've wanted.
I'll make it everything you've wanted.
I'll be...

Would you slow it down.
Cause I've lost control.
I'm not holding back.
And you won't let go.

Cause we'll carry my name for a... (time?)
See how to turn, I know what your feeling.
Maybe we'll make our mistakes.
But I'll always know just what your feeling.

Cause I believe in love.
I believe in love.
So pull this car over.
Let me love on you.

Shadows of covers
Uncover you.

Yeah.
Whoa-o-yeah.
Whoa-o-yeah.

Yeah
Whoa-o-yeah
Whoa-o-yeah

So carry my name for a... (time?)
See how to turn, I know what your feeling.

Maybe we'll make our mistakes.
But I'll always know just what your feeling.
Cause I believe in love.
I believe in love.
