From "The Ghost Poets", 1993, Razor & Tie Music Corp.
Nothing's the same since you finally
came to your senses
and saw love for how it might hurt
and not how it might heal...

And you know that
all that I want is a chance now
One chance to tell you
how I still love you

(CHORUS:)

I would give everything that I own
I would give all my tomorrows
I would give everything
for one more night, one more night now
I would give everything that I own
I would give all my tomorrows
all for one more night now
I'd give everything, I'd give everything...

Well my friends really try
and rather than lie, well, I let them
but all that the radio plays are those sad,
sad songs...

And you know that
all I can think about is you
how you once loved me
how I still love you

(CHORUS)
