From "The Ghost Poets", 1993, Razor & Tie Music Corp.  
She looked a little bit like you  
if I would only let her  
Instead of howling at the moon  
and wondering where you are...

(CHORUS:)

Nothing feels quite right  
nothing feels quite right  
since you've been gone, oh no...  
Nothing feels quite right now, Baby  
...since you've been gone  
There are moments that I hold  
so tight I almost break 'em  
I bring 'em out when things get cold...  
and Lord it's cold right now...

(CHORUS)

(BRIDGE):

Since the first time I held you through  
the night  
nothing's ever been the same  
Rebel angels rage against the light  
and play a waiting game...  
Wherever you are goes my love  
and don't you ever doubt it  
So when you search the sky above  
just kiss the wind and hold me tight...

(CHORUS)
