No, you don't know me well  
and I wonder if you can tell  
just how good you look to me  
I don't know the words to say  
and they come out so awkwardly  
but I have to speak my mind...

(CHORUS:)

Wouldn't you like to stay tonight  
Waste a little time on me...  
We can pretend that we're old friends  
wouldn't be so hard to believe  
And wouldn't you like  
to waste a little time on me?

I can't ask to be the first  
and I won't ask to be the last  
We're both old enough to know  
we can leave it all at this  
but there's so much that we might miss  
We'll never miss being alone

(CHORUS)

Maybe you'll choose to pass  
but it can't hurt to ask  
and maybe...you'll say yes...

(CHORUS)
