It's 10:35 in the heartland  
Make your move or you never will  
The boys are out on Mayfield  
Everybody dressed to kill  
Some of them got raises  
Some of them just got time  
Some think about last season  
Some think about life of crime

[Chorus]

And I say hey baby  
We're gonna have time tonight  
Hey darling would you like a ride?  
The girls says maybe  
I've got a little time to kill and baby you feel like trying  
It'd be just like flying  
But nobody writes the names down  
Just something that gotta go through  
Yeah nothing seems to work out the way they planned  
And some of them think about leavin'  
Not many of them ever do  
Give it one more try tonight in the heartland  
In the heartland

On a hundred and fifth at midnight  
Brothers chose up sides  
Dark is full of ladies  
Long to be right  
Well on the west side punks supply  
And the rich boys come around  
And ask them if they can leave it alone  
Even though their growing prime

[Repeat Chorus]

But nobody writes the names down  
Just something that gotta go through  
Yeah nothing seems to work out the way they planned  
And some of them think about leavin'  
But not many of them ever do  
Give it one more try tonight in the heartland  
In the heartland

In the heartland  
In the heartland  
In the heartland
