Your head on my shoulder  
Seems like a crime  
Why are we so drawn to each other  
When we know it's not right?

We should know better  
But our love is blind  
For we can't let go  
And it hurts me so  
To know deep inside

We're bad for each other  
It's sad but it's true  
We're bad for each other  
So why's it have to feel so good  
Lying next to you?

You know how to hurt me  
I know where you're weak  
We take advantage, ah  
When we let our anger speak

You start a fire  
In this heart of mine  
And all of my good sense  
It disappears again  
When I look in your eyes  
We're bad for each other  
It's sad but it's true  
We're bad for each other  
So why's it have to feel so good?

So many times I wish I could  
Break these chains  
But the feeling inside me  
Just gets in the way

We're bad for each other  
It's sad but it's true  
And all of my good sense  
Disappears again  
When I look in your eyes

We're bad for each other  
It's sad but it's true  
We're bad for each other  
So why's it have to feel so good?

Bad for each other  
It's sad but it's true  
Sad but it's true

Bad for each other  
Bad for each other  
So why's it have to feel so good  
Lying next to you?
