I feel so new and alive today  
I've got nothing to lose at all  
I'm letting You lead and guide my way and to You I'm  
gonna give my all  
I know I don't tell You never quite enough  
This time I'm gonna show You my stuff (can You hear  
me)  
Love you Crazy, don't mean maybe, wanna be lazy  
Do nothing but love You all day  
Love You in the morning, love You in the evening,  
I'll never stop believing That Your loves the only way  
Ever since I called upon Your name I've got the urge to  
tell the world about You  
My heart ain't never been the same, I ain't lying no I'm  
telling it true  
I know I don't show You never quite enough  
I'm gonna start showing You my stuff (can you hear  
me)  
Love you Crazy, don't mean maybe, wanna be lazy  
Do nothing but love You all day  
Love You in the morning, love You in the evening,  
I'll never stop believing That Your loves the only way  
Solo  
Love you Crazy, don't mean maybe, wanna be lazy  
Do nothing but love You all day  
Love You in the morning, love You in the evening,  
I'll never stop believing That Your loves the only way
