In a world that is colored
It's hard to blend with black and white dreams
And when you think, lost is honor
Rise above, beyond what it seems
Rise above, far beyond what it seems
(Chorus)
You are strong
In every way
Don't say it's over now
Believe in every day
Your faith isn't wrong
Don't say it's over now
There's hope beyond dismay
(Believe in what I say?)
Sometimes the winds full of fury
But then again, sometimes it can soothe
What good does it do to worry
When in the end, what lives is The Truth
In the end, what lives on is The Truth
(Chorus)
You are strong
In every way
Don't say it's over now
Believe in every day
Your faith isn't wrong
Don't say it's over now
There's hope beyond dismay
(Believe in what I say?)
(Bridge)
You are strong
In every way
Don't say it's over now
(Repeat Chorus x2)
