Verse 1

It's summer, it's cold out
It's fall and it's dry
And in winter, it's warm out
I don't care to know why

Cause things around me seemed to change
So fast, so slow, unplayed
And little scars that last forever
Tarnish as they fade

Chorus

Lately i know living
Lately i know love
Lately i know giving
Cause all i'm thinking of (is you)

(verse 2)

There's mountains, there's valleys
There's rivers that swell
Dry oceans, deep deserts
I've worn them all well
Cause things around me seemed to change
So fast, so slow, unplayed
And little scars that last forever
Tarnish as they fade

Chorus

Lately i know living
Lately i know love
Lately i know giving
Cause all i'm thinking of (is you)

Solo

(repeat chorus)
