(1 Thes. 1:9-10)

I went searchin' for some peace of mind
Out on the open road under a stormy sky
I find something that no money can buy
I find a paradise I found it in your eyes
My eyes were open when I took your hand
Without a word you made me understand
You made a hero of this simple man
You saved my lonely soul and
All this and Heaven too
Would mean nothing if it's without you
Oh, won't you tell me what did I do to deserve all this
and Heaven
I was lost wandering in the dark
You showed me the way with your burning heart
I was drowning in a sea of doubt
Sinking in my own fear when you pulled me out
My eyes were open when I took your hand
You picked up the pieces of this broken man
You led me on to the Promised Land
You saved my lonely soul and
All this and Heaven too
Would mean nothing if it's without you
Oh, won't you tell me what did I do to deserve all...
This and your love, You're the one that I live for
Out of the dark, into the light of your true heart
My eyes were open when I took your hand
Without a word you made me understand
You led me on to the Promised Land
You saved my lonely soul
